Sing ani rouli and swamps generate miasm which produces billiousness, aching of the joints, and chills and fever, and the great wonder among men has been, that no permenent and certain remedy has been found until the recent introduction of Day's Agne Tonic. It instantly cures the most troublesome case of chills after all other remedies have failed. Its pleasantuess and freedom from crit systems render it quite a favorite for children and females who cannot retain quinine. Another advantage is that you are not required to take any other medicines, because Day's Ague Tonic aits thoroughly upon the secretions—tones and builts up the weak and feeble, enabling them to throw off the disease and to fecuperate.
